

# Grade 1 Counting: Animal Rescue Helpers

Grade 1

math

animal-rescue

Students will be able to count objects and find totals

Name: \_\_\_\_\_

Date: \_\_\_\_\_

1. The animal rescue saved 3 puppies. Then 2 more came. How many puppies total?

  
  

2. Circle the number. Animal rescue found 4 kittens and 3 kittens. Total is \_\_\_\_.

  
  

3. Write the answer. At animal rescue: 5 birds + 2 birds = \_\_\_\_ birds.

  
  

4. Animal rescue has 4 rabbits. They rescue 3 more rabbits. How many rabbits now?

  
  

5. Draw circles. Animal rescue saved 6 hamsters and 2 hamsters. Total = \_\_\_\_.

  
  

6. At animal rescue: 5 turtles + 4 turtles + 1 turtle = \_\_\_\_ turtles total.

  
  

7. Animal rescue team: 3 helpers + 2 helpers + 3 helpers = \_\_\_\_ helpers rescue.

  
  

8. Write the answer. Animal rescue day: 4 dogs + 3 dogs + 2 dogs = \_\_\_\_ dogs.

## Answer Key: Grade 1 Counting: Animal Rescue Helpers

Grade 1 | TEACHER/PARENT USE ONLY

Use counters or draw circles to help students visualize animal-rescue scenarios while practicing counting skills.

1. The animal rescue saved 3 puppies. Then 2 more came. How many puppies total?

**Answer: 5**

2. Circle the number. Animal rescue found 4 kittens and 3 kittens. Total is \_\_\_.

**Answer: 7**

3. Write the answer. At animal rescue: 5 birds + 2 birds = \_\_\_ birds.

**Answer: 7**

4. Animal rescue has 4 rabbits. They rescue 3 more rabbits. How many rabbits now?

**Answer: 7**

5. Draw circles. Animal rescue saved 6 hamsters and 2 hamsters. Total = \_\_\_.

**Answer: 8**

6. At animal rescue: 5 turtles + 4 turtles + 1 turtle = \_\_\_ turtles total.

**Answer: 10**

7. Animal rescue team: 3 helpers + 2 helpers + 3 helpers = \_\_\_ helpers rescue.

**Answer: 8**

8. Write the answer. Animal rescue day: 4 dogs + 3 dogs + 2 dogs = \_\_\_ dogs.

**Answer: 9**
